

THE QUARTERS

GUIDE TO PARTYING

HOW DO PARTIES WORK AT THE QUARTERS?

OPTION 1: JUST SHOW UP AND PLAY!

For small groups that just want to play games and order some food and drinks, it's as easy as showing up, getting quarters from our change machine, and ordering at the counter.

OPTION 2: UNLIMITED PLAY WRISTBANDS

For larger groups (over 10), we offer wristbands that allow unlimited play during your event.

These can be purchased on our website, www.HadleyQuarters.com/shop, or you can contact us by email to arrange a purchase. For groups over 10, we ask that you consider sending us an email to let us know when you plan to visit so that we can ensure large groups don't overlap.

OPTION 3: PRIVATE RENTAL

The Quarters is also available at select times for private rentals of the entire space. A private rental includes free games for all of your guests. Friday nights and Saturdays, with a few exceptions, are not available for private rentals. Rental prices will depend on time and day of week; they are generally between \$50 and \$200 per hour, with weekday daytimes being the least expensive.

WHAT ABOUT FOOD AND DRINKS?

The Quarters has a full menu of food and drinks, including beer and cocktails, which can be found at www.HadleyQuarters.com/menu. Most groups will just have guests order individually, but we can also arrange your food order ahead of time and arrange a group tab for food and/or drinks.

CAN I RESERVE A TABLE?

Table space at The Quarters is a bit different than at a traditional restaurant. Guests are often moving between tables and games (which have their own food/drink shelves), rather than remaining in one location. We do not offer reserved tables, so groups who would like to place a cake on a table should consider arriving early to find a table, and groups who would like a large amount of seating or table space may consider a private rental.

IS OUTSIDE FOOD ALLOWED?

Guests are welcome to bring cakes for birthdays and other special events, but outside food is not otherwise allowed. Our staff will be happy to refrigerate your cake until it is served.
